Re: request for information

Dear Miss Dextraze:

On July 6, 2010 I received a letter from you (dated June 30, 2010) and the booklet entitled "A Guide for Canadians Imprisoned Abroad". Allow me to say I sincerely appreciate your consideration.

There is one question, in particular, which has been troubling me since your letter arrived. Exactly how did you come to know that I am currently detained by the Maricopa County Sheriff's Office?

Of course, I am certain you are quite busy,

however, if you do have the time to respond I
would certainly appreciate it.

I thank you for your time and assistance in
this matter.

Sincerely,

Richard Riess
