Re: travel documents

Dear Miss Dextraze:

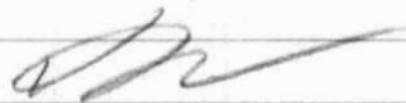

I am writing to inform you that I expect I will be returned to ICE custody soon and I am sure they will be contacting you again for a travel document.

I wish to emphasize at this time that, although ICE alleges I am a Canadian citizen I have not made such a claim. And I certainly have not made any claim to ICE or the DHS that I was born in Canada.

if emphasize this because I do not wish to run into any legal complications or problems with immigration officials in Canada.

If you have any questions or you foresee any complications with the issuance of a travel document please let me know at your earliest convenience.

Sincerely,

Richard R. Ess
