Hello Cst. Dupont,

I am wondering if you will consider a Firearms Prohibition for Patrick Fox. I have reviewed the PRIME information and your interview with Fox.

However, based on the actions and the interview you conducted, I do not believe that taking steps to make a website and his own admission that he will ruin his ex's life is something that a normal person would behave. I am also not sure what triggers him to have obsession with his ex spouse.

A Firearms Prohibition Application is independent of criminal charges which can apply in this case.

If you need further support for the prohibition application, please feel free to contact Cpl. Frank Grosspietsch of the National Weapons Enforcement and Support Team (NWEST) for help.

Regards;

Simon
