Constable Hawkins,

I reached out to our legal department in hopes of providing you a better copy of the redacted Form I-213 that was provided to you earlier.

Unfortunately I am not able to provide that information directly. I have let Mr. O'Dell know that you are hoping to get a better photo/clear copy of the form. I am hoping he will reach out to you soon to resolve this.

I wish I could be more help and appreciate your patience.

Sincerely,

Christopher A. Baker
