IN REMOVAL PROCEEDINGS

MOTION TO COMPEL DISCOVERY

The Respondent, Richard Steven Riess in pro se, respectfully moves the court to compel the Department of Homeland Security (Department) to provide a copy of the valid Form I-200, Warrant for Arrest of Alien, which Respondent's Deportation Officer, Robert Cordero, has stated does exist and is in Respondent's A-File, and which, pursuant to §236 and §287 of the Immigration and Nationality Act was required to be obtained prior to the arrest of Respondent.

To date, Respondent has submitted numerous and repeated written requests for a copy of this I-200 but all such requests have been ignored by the Department. However, Respondent's requests for copies of the I-286 and I-862 in his A-File have been readily fulfilled by the Department.

For the foregoing reasons, Respondent respectfully requests the court grant his motion to compel discovery of the stated Form I-200 without further delay.
